

Preserve the Past for the Future

A century ago, a small group of citizens made a bold decision—to protect Door County’s history before it was lost to time. Because of them, the stories, places, and traditions that define our community still live on today.

For 100 years, that legacy has been carried forward by people like you—individuals who understood that preserving our past is essential to shaping our future. Their support has ensured that each new generation can experience, learn from, and take pride in the history of our peninsula.

Now, it is our turn.

A centennial is more than a celebration—it is a responsibility. The decisions we make today will shape how Door County’s history is preserved, protected, and shared for the next 100 years.

To honor this milestone, we have launched a Centennial Campaign to raise \$100,000. This investment will strengthen our collections, preserve our historic sites, and expand educational programs—ensuring that our history remains vibrant and accessible for generations to come. We invite leadership at every level to help carry this work forward.

To launch our next century with strength, we are seeking:

- **Century Leaders** with gifts of \$10,000
- **Legacy Circle Members** with gifts of \$5,000
- **100 Founding Members** with gifts of \$1,000

Donors at these top levels will receive special recognition as leadership supporters of our second century. They will be listed in our anniversary materials, acknowledged at our October 1 Centennial Celebration, and presented with a commemorative coin created exclusively for our 100th anniversary. We hope to secure our **first 25 Founding Members by May 15**, building early momentum for this historic effort and to reach all 100 by September 1, in advance of our October 1 celebration. **Will you be among those who step forward?**

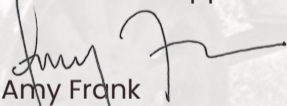

For those who wish to participate in another meaningful way, we invite you to make a **\$100 Centennial Gift**—symbolizing one year of our first century. There is no limit to the number of Centennial Gifts you may make, and many supporters are choosing to give multiple gifts in honor or memory of loved ones whose stories are part of our shared history. Supporters at this level will receive recognition and a 100th Anniversary commemorative pin.

Every gift — whether \$100, \$1,000, \$10,000, or more — strengthens the foundation for the next century of preservation and education in Door County.

A 100th anniversary only comes once. The next 100 years begin with us.

Join us by May 15 to help launch this effort — or by September 1 to be recognized as part of this historic milestone.

With sincere appreciation,

Amy Frank
Executive Director

Terry Myra
Centennial Committee Chair

*P.S. We will announce our first 25 Founding Members shortly after **May 15**. Respond today and help us begin our second century with strength.*

DCHS CENTENNIAL LEADERSHIP OPPORTUNITIES

Century Leader - \$10,000

Launch our second century with transformational support.

Legacy Circle - \$5,000
